

Packing Tips

- ① **Consider a suitcase or carrier with wheels** to make transport of your demo items easier.
- ② **Be sure to pack perishables in a cooler** to keep them cold until your demo begins.
- ③ In addition to grocery items and equipment, **don't forget to pack items for clean-up like paper towels, disinfectant wipes, and trash bags.**
- ④ **Keep bubble wrap in your suitcase** to provide extra padding for breakable items.
